Wedding Ceremony Package

Located behind our clubhouse, we have created the two very different settings to host your wedding ceremony.

The Arbor

This beautifully landscaped area features a Bermuda grass lawn maintained to the same specifications as the golf course and a beautiful collection of fauna indigenous to this area.

The centerpiece of this area is our arbor, which is centrally located and can be decorated at the wedding party's discretion. Our wedding ceremony location also offers beautiful views of the golf course as a backdrop and can accommodate the entire bridal party, and up to 140 guests.

The Rustic Fireplace

This rustic rock fireplace is the remains of the old Cunningham cabin built in 1932! It is the only rustic wedding location in all of Pinellas County. It is a short walk from our clubhouse located directly behind our tennis courts and next to our driving range. This very private location gives the feel of Old Florida at it's finest!

Our ceremony locations are conveniently located adjacent to our main reception area making it easily accessible for the entire bridal party and your guests. If you have not yet chosen, or are looking for a venue for your ceremony, please ask one of our staff members to give you a tour!
