CLUB NEWS

General Manager

With the exception of a couple of rain days, we had a month of glorious weather. With the night-time temperatures continuing to rise, the color is returning to the grass where the season's multiple frosts had robbed it. Sean's crew is continuing to rebuild the fairway bunkers. The bright white of the restored bunkers is visually dramatic in contrast with the darker hue of the contaminated sand it replaced. We are eager for the completion of all of the bunkers.

Hopefully, you have all seen the new bar and restaurant furniture in the clubhouse. This is a great upgrade and the dark wood of the tables and chairs adds a rich quality to the room. Just this past week we added new wallpaper to the clubhouse. We will continue the improvements in the coming weeks with fresh paint in the dining room. In the last month, we completed the resurfacing and repainting of the four pickleball courts which are dedicated completely to pickleball. They do not have tennis lines. Come see them and try out pickleball. The courts are beautiful and pickleball is super-fun. It is a game that you can learn in under an hour. And our evening tennis players will be most pleased to know that we have finally been able to repair the lights on our nine lighted courts.

We will continue to work to improve our facilities our programs to provide a great experience for all of our members. We look forward to seeing you all around the Club.

GOLF NEWS

Head Golf Professional

Our peak season is starting to wrap up with a lot of you heading back home this month. I would like to thank everyone for their continued support of the Club and those of you I had the privilege of helping with your golf games this year. There is no doubt we have the best members of any club in the area.

The Senior/ Super Senior Club Championships were held on March 5th and 6th with 45 players playing in great weather conditions. **Regeana Yeager** had a two-shot lead over **Carol Burnham** after the first day and continued her good play on Sunday shooting 87. This score was low enough to give her a six-shot victory over **Carol and Rita Ruddock**. Rita's net score of 149 was the lowest in her flight. In the Ladies' Super Senior Flight, **Barbara Hensil** started the final round three shots behind **Diane Herring**. She shot 87 on Sunday to win the tournament by seven shots! The Men's Super-Senior Championship was again dominated by Dale Tepas. He shot 69/76 to win the tournament by 21 shots. **Stewart Smith** shot one under par net to win the Flight Championship. **John Paul Lisenbee** won the Senior Club Championship for the third consecutive year. His score of 74/78 led to a four-shot victory over Al Robinson. **Rusty Creel** was the Flight Champion shooting a 141 net.

The Men's and Women's Club Championship was a 54-hole stroke play event held March 25th through the 27th. The men's championship was missing its defending champ **Chris Kerbo** so there would be a new winner this year. To nobody's surprise, **Kirk Barker** and John Paul Lisenbee were battling it out for the championship just like many events before. Kirk came back from two shots down to tie John on the sixth hole of the final round. Ultimately, John was able to hold off Kirk and finished with a four-shot victory. **Brianna Gasior** shot 78, 85, 78 to win the Women's Club Championship for a sixth consecutive year.

Congratulations Big John and Brianna on your wins!

Green Side UP

By Sean Carlton
Head Greens Keeper

The beautiful, warm weather has woken up the grass again, and with that, we're seeing some new growth and recovery on the greens. As the nighttime temperatures continue to rise and the days get longer, the recovery of the greens will hasten.

Along with continuing our efforts there, we're still rebuilding the bunkers. We have already completed about half of the bunkers and will continue the work with the goal of completing it by mid-May before the summer rains begin. We also trimmed the Canna Lillys on the lake banks to get fresh new growth and flowers. We will be cleaning up the rest of the lake banks in the near future.

See you on the course.

Director of Tennis Operations

Great news that lights have been repaired on all of the lighted courts. As you know, it's been a challenge getting this project completed due to weather, contractor availability, and supply chain/inventory issues. But....they're done! Next up, we will be adding lights to two more courts. We hope that this will be completed before June. In the meantime, we have 9 well-lit courts for evening play.

Our well-attended Club Championships are back! Be sure to mark your calendars. French Open 5/21, Wimbledon TBD (July), US Open TBD (Sept), and the Masters TBD (November). These events are always a great time to show off your skills, enjoy some good food, friends, and win prizes! We will keep you updated as dates are firmed up. You can always check out the Events page on our website to keep track of all events.

Do you have kids interested in learning to play? We offer an exceptional after-school junior program, tailored to every level of experience and age. Summer Camp registration is open! Camp will be held May 31- Aug 13. Weekly, Daily, Half Day, and Full Day options are available. Check out our website for more dates and to get the kids registered.

Brianna Vox, one of our junior players, won the USTA Level 7 at Feather Sound last weekend. Great job!

Member **Lyla Messler** made the finals in both singles and doubles in the USTA Level 3 National tournament held in Amelia Island. We are so proud of you!

Because we have been busy and have a high demand for courts, we are enacting new requirements.

*** If you currently have a standing court reservation on the evenings or weekends, you will be expected to confirm a day in advance. After 2 no-shows, you will be charged guest fees and lose your in-advance booking privileges.**

*** Additionally, if you are playing with friends or teammates that are not members, please ensure that they check-in and pay PRIOR to playing. Going forward, we will charge the reserving member's account for guests that do not check-in and pay. We will assume that the member is treating the guest unless told otherwise.**

We appreciate your cooperation in helping to ensure everyone has a great experience!
