July marks the beginning of a new chapter at Seminole Lake as Karen Jay and John Brott retire after many years at the Club. We will miss them. Kim Northup, who many of you know from tennis, will be taking over as our Club Administrator beginning July 1. For membership issues, please see Stacy Perdue in her office in the Golf Pro Shop. While we are always happy to assist members paying their monthly statements in the Administrative Office, remember that attendants in the Golf Pro Shop and Tennis Pro Shop can receive your payments as well. We are excited to receive our Spanish exchange students for the month of July. It has been three years since they have been able to join us. They will spend the month working on their English and their tennis games. We look forward to hosting them again.

Our summer junior golf and tennis camps are back in session. The students have fun learning a new sport from our excellent professionals. Contact the Golf or Tennis Pro Shop for detailed information on the camps that will run through the second week of August.

Any of you who have played golf in the last week know how well the greens have recovered from the aerification. The fairways and greens are in absolutely beautiful condition. We are excited that we have returned to the beautiful conditions that we have grown accustomed to.

We look forward to seeing you around the Club.

In one of the great feats in the history of the club, **Sam Buck** won the Shootout at Pine Ridge Farm for an incredible fourth time in ten years. Sam was battling a shoulder injury and considered not playing the event. With the top ten players qualifying to play in the shootout, Sam shot 75 to get in on the number. Sam started the shootout with back-to-back birdies, then continued to play steady on his way to his win. This could have been his fifth victory, but he lost in a chip-off on the final hole to **Doug McArthur** last year. **Joe Hopson** shot a net 62 and was the low qualifier but was eliminated on the third hole. The lowest qualifier last year **Carl Farmer** once again qualified to make the shootout. In the shootout, he had his best performance ever and made it all the way to the last hole. On that hole Sam made his par putt and Carl missed his and ended the tournament in second place.

The next event on the calendar is the Independence Day Flag Tournament. It will take place on Monday the 4th and is open to all golf members with an active GHIN handicap. This is a unique event in which you will add your playing handicap to par and you will play until you have hit that many shots. Before the round, we will give you a flag with your name on it and you will plant the flag in the ground where your last shot finishes. All you must do is make a tee time on Saturday and let us know you are playing in the tournament.

Green Side UP

The aerification of the greens went perfectly. As a result, we're now back to the conditions we've come to expect and enjoy over the years. We are currently at the height of cut I will be trying to maintain at least until winter. Therefore, this is the speed you can expect until the weather cools off and the growth slows down.

The fairway bunker project is finally completed with a design change to hole 18 that more reflects the original design. The plan now is to remove the old bunker sand to the driving range to construct target greens on similar in size to that of the chipping green. This will be a nice enhancement to the range.

With the bunker project behind us, we now have some catching up on regular maintenance and small projects that have been put on hold.

See you on the course,

Sean and Moxie

New lighting is still in progress. We will be adding lights to courts 4 & 5 and to the pickleball courts. And new LED lights will be replacing our existing lights. These will be much more reliable and much more energy-efficient. We are now just waiting on some parts to finish the additions and hope to have the new lights up in August. Good stuff!

Doubles Academy was a great success for June. We will do it again in August. This high-intensity, 2-hour clinic will run Tuesday and Wednesday mornings. Just a reminder, we offer challenging and fun adult clinics Monday & Wednesday nights, 7:00-8:30, and Saturday mornings, 10:30-noon.

Attention adult players! We have many drop-in groups available for you to join and lots of USTA teams throughout the season. Call us if you are interested in joining the fun!

Summer Camp is going great and kids are having a blast! We are still accepting registrations. Weekly, Daily, Half Day, and Full Day options are available through Aug 13. Check out our website for more dates and to get the kids registered. <http://seminolelakefamilytennis.com/junior-programs-3>

Upcoming Events:

USTA Level 6 junior tournament, July 9-10
Wimbledon Club Championship July 30

Congrats to **Christine Price's** Women's 3.0 USTA team! They're heading to sectionals in Orlando in July.

Great job, girls! Bring home the win! Members include **Christine Price, Betty Jordan, Tori Thrower, Patty Anderson, Sonia Agee, Terry Walker, Moise Carrington, Hellen Davis.**

John Ramdeen's Mixed 8.0 USTA team recently went to sectionals in Orlando and faced some stiff competition. They were not able to bring home the trophy this time. Good luck next season!

New Requirements: Because we have been busy and have a high demand for courts, we are enacting new requirements. We are also experiencing no-shows and non-paying guests. This hurts the club.

- If you currently have a standing court reservation on the evenings or weekends, you will be expected to confirm 2 days in advance. After 2 no-call/no-shows you will forfeit your in-advance booking privileges until a solution is reached.
- Additionally, if you are playing with friends or teammates that are not members, please encourage them to check in and pay PRIOR to play. Going forward, we will charge the reserving member's account for guests that do not check in and pay. We will assume that the member is treating the guest unless told otherwise.
- Help us keep the grounds in tip-top shape. Please do NOT drive and park on the grass. Use the parking area.

We appreciate your cooperation in helping to ensure everyone has a great experience!

Visit www.seminolelakefamilytennis.com for lots of information on our programs. Also, be sure to follow us on Facebook for even more fun and news, @seminolelaketennis.
