CLUB NEWS

By Clay Thomas
General Manager

March was an exceptionally active month around the Club with the Men's and Women's Interclub events, the Women's Member-Guest, and the Club Championships. And the tennis courts have been as busy as ever. I think that we have all enjoyed the beautiful weather although we could use an evening shower or two to help with the extraordinarily dry conditions.

Even as Easter approaches and our facilities remain abuzz with activity, we are continuing our preparations for the summer re-grassing project. The grass has been reserved with the turf farm in Georgia where they are treating the grass specifically for our project and preparing it for a late-June harvest. For those who have an interest, we will keep you informed of each of the steps of the process. It is a fascinating process and Sean along with other industry experts are guiding us in the best practices to ensure that the project is as efficient and successful as possible. Many have asked if they can help be a part of the project. As we get closer we will reach out with some aspects of the project where members can contribute in a fun and productive way.

In early May Mark and I will communicate with you reciprocal arrangements and other opportunities for our golf members for the period while we are re-grassing the greens.

We look forward to seeing you all around the Club.

March was a fantastic month of golf tournaments with a really full schedule of events. Seminole Lake hosted Interclub matches for both the men's and women's teams where several other local clubs sent their members here to play in team competition against each other. The Seminole men's team finished 2nd among ten teams that participated shooting a team score of 261. Our SLCC Interclub Team now leads the "Interclub Bracket" with two events remaining. The Seminole Ladies' team took a total of 9 points out of 12 putting them in 1st place in the March 23rd event! This win put them in 3rd place for the season with just one event remaining at Cypress Run.

The Super Senior, Senior, and regular Club Championships all held their traditional March dates again this year. Dale Tepas won the Men's Super Senior Club Championship for the second time in three years after overcoming a two-shot lead by **Mark Gangnier**. Dale shot a 71 in the final round to win by one shot. The Ladies' Super Senior Championship was also close. **Barbara Hensil** had a one-shot lead after round one over **Rita Ruddock**. They played together in the final round and shot matching 82s making Barbara the winner. This makes back-to-back wins for her. **Carol Burnham** won her second Senior Club Championship in three years defeating **Nancy Hart** by three shots. **James Johnson** won his first Senior Club Championship here at Seminole Lake shooting a very good score of 144. **Bob Maloney** finished second to James and five shots behind him. **Brianna Gasior** shot 242 over three rounds of stroke play in the Ladies' Club Championship to win her 7th consecutive title!

Events/Socials

Terry's 70th birthday bash was a huge success despite the rain that kept us from playing. She would like to thank all of the members, non-members, and staff who contributed to making her 70th the most awesome birthday ever! We raised over \$800 in cash and gift cards to help her celebrate in style. Terry is very grateful and very humbled by the love and support our players and staff have shown her. We are family!!!

Seminole Lake Family Tennis at the Miami Open was a lot of fun. We were able to offer discounted tickets to our members. We had a great group to meet up with over 30 members and junior members. We saw up close, Carlos Alcaraz #1, Tsitsipas #3, Andy Murray 4x Grand Slam winner, and many more. We saw some incredible matches, ate great food, and enjoyed great company with each other. We will do the same next year including our new/upcoming Ladder Championships.

IMPROVEMENTS/REPAIRS:

- We have replaced the bottom deck with a nice patio and will be staining it in a couple of weeks.
- Please excuse our mess as we have several other projects scheduled.
- We are working non-stop to make this club the best we can for our members.

Golf News Continued..

Her score was ten shots better than her winning total last year. In the Men's Club Championship, **James Johnson** and **Bob Maloney** battled it out all weekend. They both shot 78 in the opening round before James opened a one-shot lead over Bob shooting a 76 in round two. Bob continued to play strong on Sunday and eventually, his 78 was just good enough to win by one shot over James. This is Bob's first Championship at Seminole Lake and tenth overall. Congratulations to all the winners!

Our peak season is starting to wrap up with a lot of you heading back home this month. I would like to thank everyone for their continued support of the club and those of you I had the privilege of helping with your golf games this year. There is no doubt we have the best members of any club in the area.

“Take Me Out To The Ball Game” was the theme for the Seminole Lake CC Women’s Golf Association. With the 4 person teams dressed in their favorite baseball attire, they stepped up to the plate and hit the ball out of the park.

To begin with, A Putting Course of 6 holes was constructed by Mark and his team. It was a two-person team playing alternate shots, avoiding obstacles on each hole in order to sink the putt and score. Congrats to **Carol Burnham** and **Danielle Rock** on the win. Our Chipping Contest was won by **Patti Capen** when she simply “chipped it in”.

Then it was out to the course for a 4-person net scramble. There were some challenges there as well. Our In-Field Home Run was won by **Ellen Bruin** when she landed her ball closest to the pin on #10. Then **Vicky Anthony** took the Line Drive contest landing her ball closest to the line on #18. Oh, but wait, there was a 7th Inning Stretch on hole #7. Once the ball was on the green, it had to be putted into the cup with a baseball bat.

Chef, Drena, and their teams had lunch ready and waiting for us once we finished our round of golf. As the players came in, they were greeted with a salad bar and served their lunch while enjoying socializing with other teams. Congratulations to Team McLean, **Joy McLean, Kathy Johnson, Ellen Bruin, and Kathy Dent** for taking First Place, Team Kile, **Rebecca Kile, Rhonda Gagliardi, Michey Young, and Joanne Kim** for taking Second Place, and Team Stockfisch, **Phyllis Stockfisch, Susan Stockfisch, Debora Boss, and Monette Galello** for taking Third Place.

Thanks to all who participated, the Pro Shop and Cart Barn staff, Chef, Drena and their staff, and all the volunteers it took to make this event a HOME RUN.
