July proved to be a productive month at the Club. Many of our members joined us in the sprigging of the greens on July 6 and 7. The sprigging was successful and the grass has been growing in beautifully as planned. Sean began mowing the new greens in the last week of the month. This will help to stimulate the lateral growth necessary for the greens to fill in. We are still on schedule for a mid-September opening pending cooperation from Mother Nature. All of the resodding around the course was very successful. However, many of the areas of weak turf adjacent to several fairways where we tilled in paspalum plugs have been slow to recover. These areas were weak to begin with because they were outside the reach of the irrigation system. Our lack of regular rainfall that we are accustomed to in the month of July has been troublesome for these areas. We are hopeful that regular rainfall will begin and that we can recover the turf in these areas.

Our other super-exciting news is that we have a USGA national champion on our staff. Rianne Jackson won the USGA Adaptive Open at Pinehurst. The USGA began this event last year and Rianne was runner-up. This year Rianne avenged her loss defeating the defending champion by a margin of five strokes. We are all so proud of Rianne.

We are nearing completion of the stabilization of the shoreline on #7. We have removed the wood retaining wall which had been failing creating a dangerous condition as the shore was eroding away behind the wall. Once completed you will see a consistent slope down to the water's edge stabilized with an erosion control material. Once sodded, this will provide a more stable and uniform shoreline.

Last month we had our annual Independence Day Flag Tournament. The club generously provided prizes and the participation was fantastic with over 50 members playing. Joanne Peace finished 1 inch from the hole on number one to win the ladies division and Rick Roesner was able to get all the way to hole number three to win the men's blue tee division. Matt Baur won the white tee division by getting all the way to the number two green. Congratulations to them on a great day.

You might have seen the upcoming Summer Classic Scramble on the calendar for August 12th and 13th. The format will be a two-day net eclectic scramble meaning that only your team's best score from either day on each hole will be the score that counts. To make it even more fun ALL men will play from the red tees and ALL women will play from the teal tees. This event is going to produce some low scores and will be a one-time event due to the temporary greens. The cost is \$50 per player and all the money will go back into the prize pool. Your cart fees, range balls, and lunch on Sunday will be courtesy of the club. It is limited to the first 12 teams so sign up early. There will be a separate men's and women's flight and all participants must be golf members with an active USGA handicap.

Congratulations to Staff Member and now *USGA National Champion* Ryenne Jackson!

Our Doubles Academy is coming back for August 1 thru Aug 23 every Tuesday & Wed from 9-11. This is a great time to come out with your league doubles partner(s) to work out your strategy for leagues that begin on August 23. So register asap as spots are limited.

We are sad to report that member Susan Hobbs lost her battle with cancer. Susan was a heck of a player, competing at Nationals at least 10 times and winning at the 4.0 level in 2008. She was a friendly member with a mean drop shot. She will be missed.

Fun at Summer Camp!

Our Spanish exchange students.
